Orcutt, CA, July 1, 2009 – **Insight Management Merger with Microresearch Closes**

Insight Management Corporation (OTC BB: ISIM) today announced that the merger with Microresearch (MCEA) was completed on June 29, 2009, subject to the appropriate filing with the SEC. It was previously announced on April 24, 2009, that a definitive merger agreement was signed under which MCEA would become a subsidiary of ISIM. Pursuant to the agreement, MCEA shareholders receive 1.5 ISIM shares for each share they own in MCEA. Prior ISIM shareholders will not change their holdings in ISIM.

Microresearch President and CEO, Jennifer Rapacki, who will be leading the company, noted “Despite a challenging capital markets environment, we are pleased to take this important next step in our company’s development and growth. The transaction validates the company’s strategy to continually improve market awareness of its efforts and move the company on to a more senior exchange.”

About Insight Management Corporation

Insight Management Corporation (ISIM) is a public holding company whose core business is focused in the oil and gas industry. The company has a strategic plan for growth through acquisition and functions from the perspective of an engineering firm. This is the nucleolus that directs what acquisitions are made and creates strategic alliances, develops proprietary technology and patents that bring the expertise and ultimately creates the real value for Insight Management. The Company expects to retain the strong management teams in each business unit, capitalizing on their local knowledge of competitors and operating climate, along with their loyal customer relationships.
